iFilm iAct

Ever wonder what really goes into the making of a movie? Or, been curious about acting?

At iFilm summer camp, you will go from script to screen. Become a screen writer, director, actor, set designer and production assistant all while you actually work on filming your own movie. View your film at a special red carpet screening at the end of the session and have the whole world see your movie on YouTube.

Learn the basic elements of acting and the key parts to making a real live film. Then you will put all you've learned to work by playing the parts of:

screen writer • actor • director
production assistant • styling
cinematographer • costume designer
prop coordinator/designer • set designer

Are you a commercial model, a fashion model a runway model or a spokesmodel? What's the difference? At iModel, you'll learn the aspects of each from those who live it everyday. Think reality TV comes to IZON!

Put what you learn to the test on various assignments. Apply on-set makeup yourself; put together wardrobe; handle styling; and move on camera alone, in pairs or in groups. It's crazy, mysterious, wacky, but, oh so fun!
